

How to install the LINEA Locking Clip

To Install:

1. Place your accessory onto the slatwall in the desired position.
2. Insert the LINEA locking clip into the top slot of your LINEA accessory.
3. Lift the accessory upwards, then press the locking clip to secure the accessory in place.

Look for this icon to find LINEA accessories compatible with the LINEA locking clip.

To Un-Install:

1. To remove the accessory when locked, free the locking clip by hand or place the thicker side of an open wrench under one side of the locking clip to gently leverage the clip open.
2. Once the clip is disengaged, shift it back and forth until the clip is free.
3. Remove accessory from slatwall, reposition as desired, and repeat installation steps.

Organization Solutions

LINEA is crafted with a modern approach to providing stylish and secure organization.

Locking System

Easily and quickly locks accessories in place on your Garage Living slatwall system. Withstands shifting and sliding when removing and replacing personal items.

Style

Modern + Sleek

Material & Finish

Durable metal with granite matte Sandtex powder-coated finish.

Added Protection

Heavier belongings rest on a bumper-like, safeguarded surface. This rubber-coated plastisol finish adds extra grip, a layer of protection when storing or removing your items, and performs as a sound-dampening buffer.

Compatibility

All Garage Living Slatwall

Product Innovation

With innovative products frequently being added to the LINEA line of accessories, ask your Design Consultant about new releases.
